Dear Joe:

I am writing to enclose the check you spoke to me about on the phone. When I sent out the financial statement to the league this month, I listed the \$20.00 as an overpayment from The Black Yankees. They should have written me there was some mistake.

There should have been a note sent with the statement telling me the \$20.00 was for you. I guess there is so much confusion at the H&W game there has to be a few mistakes.

I am planning to see you Friday when I come to New York. Don't forget I want to see about getting Miss Scott to come to Newark for The NAACP.

The Eagles are looking very good now, and I am hoping we will be in a real honest to goodness play-off. If we do, I am going to seek some cooperation from the daily papers. If you know any of the newspaper men I will get you to introduce me to them. I am looking very far ahead, but that does not hurt.

Will see you Friday.

Very Truly Yours
